Angelina knows how to bring a man to his knees, how to break him down and drain him of his vital fluids. Danny moves in to pound Angelina's core, but she takes the best Danny can give, then flips over on all fours and begs for more! Danny bobs, weaves, and pumps until he can't hold back any longer. He pulls out and arcs a hearty load of cum on Angelina's breasts. Lust is the only winner, but Angelina is insisting on a rematch.

our Nude Neighbor

Our neighbors on the left are very quiet and elderly, while on the right is a professional couple. The lady who lives there, Nikki, has one of the most beautiful butts ever. Even my wife thinks so. Nikki's husband, Kennji, is rarely seen. He's a software trouble shooter for a large company and they keep him jumping around the country for weeks at a time. We live in the burbs of Sacramento where there are two other houses on either side of ours. Our homes have private backyards with pools. Therefore Nikki, my wife, Massie and I, often sunbath in the nude. We often talk to each other across the fences and through the bushes that separate the two properties.

Now, Nikki was in the habit of walking around her backyard in the buff. She could get away with that because we live in a very isolated location. She loves showing off and stuff. Massie, my wife is also a very beautiful woman. A bit shorter than Nikki but with a curvy tight figure for her 34 years. As it turns out, neither Nikki or Massie have any cellulite on them and both are clean-shaven down there. Yes, I know that. Anyway, it started almost immediately after moving into our home. The two ladies would routinely talk over the fences when they were on the decks.

However, one day, Massie and I were out back and noticed that the tall plants and bushes between our two properties, that had been quite thick and provided privacy for us, had been trimmed back considerably. Anyway, the loss of privacy didn't bother us as we had been having sex around the pool for several months while the

landscaping had subtly changed due to Nikki's constant pruning.

Occasionally we'd find Nikki walking around to the outside of our fence and she'd begin chatting with us. Then we started inviting her to join us for some refreshments by the big umbrella and enjoy a cool drink. We all talked about how great it was to be free-wheeling spirits and

enjoy our lives and bodies. A couple of times Nikki surprised us as Massie and I were fooling around in the back pool area. Massie was giving me head and immediately stopped at being discovered. Nikki acted as if she hadn't seen us doing anything. I also started to think that Massie would sometimes instigate our love-making when she knew Nikki would be in her back yard and may just 'stop by' to talk. I never said anything because I didn't want it to stop. It was way too much fun.

When Kennji was home, we saw very little of them, but on hot nights when their bedroom windows were open, we could sure hear them. It seems that sex after being away for a couple weeks was louder than when he was at home for a while. Another couple weeks go by and I'm out in the front driveway washing the car and see Kennji once again headed for the airport in his business casual. We exchange some small talk and I wish him a successful trip. I finish with the car and pull it into the garage. I closed the garage door and walked back through the house headed for the pool to cool off.

I changed in our little area and went out only to see my

She began slowly moving her ass up and down, left and right, back and forth. My hands somehow found their way up to Hiroko's full breasts and hard nipples. As I looked over her shoulder, Massie was smiling at me and proceeded to French kiss Hiroko hard on the mouth...

Massie already rubbing sun tanning lotion on Nikki's bare back and equally bare buttocks as she lay face down on a pool side deck lounge. I wasn't too concerned not wearing anything as the girls were already naked and we have spent many hours pool side nude. Massie saw me come onto the deck and flashed a great big smile as she was rubbing Nikki's backside, knowing damn well she was teasing me by doing that. Massie suddenly leaned closer to Nikki's ear and said something. Nikki tilted her head and looked in my direction, smiling at me as she did.

I stepped under the outdoor shower and started working on getting the sweat washed off. Just as I was about to turn off the shower, I turned around and saw Massie and Nikki walking towards me. When they got to me, Massie grabbed the bar of soap and handed it to me saying it's so hot, how about soaping her up, too. She knew our soap game leads to some great sex, so I soaped her up as requested, spending extra time on her breasts and then turned her around so I could soap up her buttocks. My dick was getting hard, very aware that Nikki was watching us from only five feet away. I knew that Nikki had watched us before, but always from her side of the fence.

Nikki kept smiling and watching us but seemed unsure of what to do. My ever-thinking wife realized this and reached out and pulled Nikki between us. Then Massie grabbed my arms and pulled me tight against Nikki, who happened to be facing Massie. Since we already had plenty of soap on our bodies, we started rubbing Nikki's body

with our soapy bodies. As you can imagine, by now I was so hard that it felt like my cock was going to explode, it was so stiff. Nikki felt it too, pushing against her ass cheeks. She began slowly moving her ass up and down, left and right, back and forth. My hands somehow found their way up to Nikki's full breasts and hard nipples. As I looked over her shoulder, Massie was smiling at me and proceeded to French kiss Nikki hard on the mouth while looking me directly in the eyes. That's also when I noticed both girls were massaging each other's clits with their hands.

Moments later, Massie placed her hands on my ass and gently spread my cheeks apart. A second later I felt her tongue sliding down my ass working its way towards its final destination. At first she licked at my asshole tenta-

tively, with short flickering movements, but soon began giving me long, lewd licks from the base of my balls all the way up to my tailbone. I looked back between my legs to see her hand back at work between Nikki's legs, so I helped out by reaching back and spreading my ass cheeks. Massie started moaning into my ass as she licked with renewed lust. I closed my eyes and gritted my teeth, wishing that I could see this beautiful woman tonguing my asshole.

Massie told me to put my leg up, giving me a playful slap on the ass.

I did as I was told exposing myself even more. Nikki reached down to slowly stroke my dick, but I couldn't help by be amazed by the degree of Massie's nastiness. Massie planted a soft kiss right on my asshole. I groaned in pleasure, which only encouraged her. Massie's tongue

massaged my hole as she brought her hand up to massage my balls. It felt so good but I was sure I didn't want to end our little session early. By the way she was moaning, one would think that it was her getting rimmed, but Massie was genuinely enjoying herself. Finally we let the shower rinse the soap off of us. We moved over to the deck loungers and pushed them together.

Massie had Nikki lay down on the chairs on her back. Massie knelt down on the towel and proceeded to lick Nikki's beautiful clean-shaven pussy. Standing there, I couldn't stand it. There was my beautiful wife licking and fingering our neighbor. Massie's tanned ass was beckoning me, smooth and silky from the shower. I knelt down behind Massie and entered her soaking wet pussy with my man-missle. I felt Massie shudder as I penetrated her. It was an incredible feeling, looking at two perfect female specimens while thrusting away inside one of them wondering when it would be the other one's turn.

Much to my surprise, Massie was great at eating pussy. Nikki's legs were up in the air, flailing all over the place and as her right leg came up over Massie's head I leaned forward, pulled her foot towards my mouth and began sucking on her long toes. They were long with a beautiful French pedi that any man would be proud to suck on. Then I noticed Massie had stopped fingering Nikki and was now just slowly licking her pussy. It was then that I felt a sudden gush of liquid around my groin area. Even though I was still penetrating Massie, the feeling was one of warm water being poured over my dick, balls, and running down my legs. Massie had squirted on me. She has only done that once or twice before, especially when she rides me cowgirl style,

Massie laid her head on Nikki's stomach for a moment, breathing heavily. Nikki stroked Massie's hair while I slowed my thrusting, not wanting to cum yet. I was

hoping that maybe Massie would let me have Nikki. Nikki had been staring directly into my eyes, not saying a word, but saying everything with her eyes. Eventually, Massie raised her head, still feeling me hard inside of her, and moved forward, pulling away from me. She moved around Nikki and had her sit up. Massie told me to stand up and asked Nikki if she still wanted to do this? She instantly replied 'Yes!' So, there I am. Standing with my dick hard as a rock, dripping from Massie's puss, Nikki leans forward, grabs my dick and pulls me forward, inhaling my dick in her mouth. She moves her tongue around the head and shaft, and holding the base of my dick in her right hand, with her left, she's cupping and gently massaging my balls. Needless to say, I love anything that they do.

Looking down at this beautiful woman, sucking my dick, as my equally gorgeous wife sat behind her, was way

too much. Nikki looked up at me and must of realized it too. With that, Massie pushed Nikki back down on the lounge and I mounted Nikki as I was almost ready to explode. I was terrified I was going to lose control instantly and desperately wanted to make a great performance. Nikki's, pussy felt different; a little tighter, with a different texture, but just as fantastic as her smooth tanned body moved below mine. It is hard to explain all of the feelings that went through me, but I exploded with a loud

groan as Nikki's pussy tightened and relaxed, tightened and relaxed, over and over again. Her pussy literally milked my cock dry.

Dizzy, I began to try and stand up as I pulled out of Nikki. As I looked over at Massie, she flashed a beautiful smile. The day continued at a slower pace, sex, sex and more sex. That was a first and a wonderful Saturday. Little did I know that Sunday would be even better, but that is another story.

Sex is always on my mind. I'm like a teen age boy sometimes, always horny and ready to do it. I'll warm myself up by playing with my clit and boobies, and maybe play with a vibe or two before you. Then when I'm all wet and my pussy's ready to go, I'll take that cock of yours and guide it into my dripping wet pussy and let you fuck me until it dries up... and that could take a very, very long time.

I worked as a go-go dancer during my college years to help pay for college. After college, I moved to Las Vegas and started dancing at the big clubs there. I enjoyed being in a cage above the crowd dancing my ass off. Then I started dancing in the VIP rooms. There, the champagne flowed freely as did the tips. The guys that were generous... I was always happy to put on a great show for them, and I did.

one long hot Summer

A long month ago I was fired from my job. One that had been going on for over fifteen years. While I don't think it was fair for them to do it, now, weeks later, I can see their point. I'm hoping as some more time goes by perhaps they can put this behind them and reconsider their decision. There isn't much I can do, but I can tell a good story, and that's what got me in trouble. I'm a stringer, you see. I find stories to do and sell them, or I do ones that the news group can't do, so I'm assigned it as a freelancer.

I developed several such relationships over the years here in Los Angeles. In the several years before I started, there were more than 2,000 reporters roaming the streets of LA county gathering up the news, and that still wasn't enough for the ever-expanding metropolis. Hundreds of stringers and photographers plied the street also searching for, and finding, the elusive, sordid stories hovering just below the mainstream. Many of the photographers nourished their contacts to become part the infamous band of shooters known as the paparazzi.

Sometimes I get some little story to go out and cover and write it up for a morning release. Many times it's just some stuff about a new restaurant opening on Wilshire Boulevard, a peeping tom in the Hollywood Hills, or

a twenty-foot unidentifiable creature washing up on the ritzy shores of Malibu. You know, typical LA stuff. About four months ago, I started getting pretty busy and couldn't keep track of all the stuff going on, as well as maintaining a proper set of books for my accountant. So... I hired an assistant – Summer. Her real name was Camille Lee, but wanted something 'cute' she said. She had moved to LA from Vegas about six years ago and started working for the LA Times. I had gotten a few assignments from her during that time and we got to know each other a little.

About three months ago she was laid off. The newspaper had to cut back because print was getting too expensive to maintain in today's digital world. Many of the staff photographers and production people were released also. But all those losses benefitted me. I had been working the streets and developed a long list of contacts that kept me busy. One of those contacts, Summer, called one day in the middle of July, of course, and asked if I needed some help. I told her I did and in a week she was fielding my business calls and cooking my books.

Just because the LA Times cut back, that didn't mean that stuff stopped happening. As a matter of fact, LA does not disappoint. Turns out, Sum-

mer was helpful and never had a bad attitude. And it helped that she was beautiful and knew how to work it. But we laid down ground rules that we wouldn't fool around because it would ruin our working relationship. That was the hardest pill I ever swallowed. After about seven months, she started asking to do her own stories, follow up on some of the leads and write it up. Of course I know that was inevitable. I should have figured she was too impatient to wait and pay her dues. She said she wanted to break a

big story to gain more credibility as a serious journalist. She knew how hot her looks were, and let me tell you she was sizzling, with jet black hair and perfect breasts always pushing tight against any top she wore.

I got into my office early to get a start on writing a piece on a famous non-celebrity caught in a car after midnight in a Malibu garage. I got the scoop from the garage attendant that caught them, and he offered it to me before TMZ. I met him at three in the morning when his shift ended and we talked for two hours. It was around 9 am when Summer came to work and asked me to spare a minute.

I looked up from my laptop and told her I was in the middle of a sloppy sex story about... when she interrupted and said that was great, but driving to work she got a call from a source. I was willing to listen. I'm professional enough to always keep my eyes on her even if in my peripheral vision I noticed her stone hard nipples pushing through her white ribbed tank top. Her source told her that there was a very private, very exclusive sex club in Long Beach. Well, over the years, I heard many rumors about private sex clubs. Some were true, others not, but that did not seem too unusual for LA. So I ask Summer why she thinks is this such a great story. But she countered my every objection as if she knew exactly what I was going to say. Now that I write this, it seems so obvious I could kick myself.

Summer said she was told there was a four-storey office building near the cemetery that had half of a floor dedicated to sex. Her source said special workers were flown in to finish it. The architect's floor plans showed a typical office layout with offices, bathrooms

and gallery space. Apparently, the owner's gatherings had become more and more crazy. She was told that he was part of a famous movie you prob-

ably saw if your eyes were not shut. Summer said her source would invite her to the next soiree as a personal invitee but she needed a man to accompany her since all the females brought a male bodyguard. The next event was this Tuesday morning, apparently to throw off the conventional aspect of it, and the gathering of cars would not be unusual. Summer talked on for another five minutes as I finally finished my story and uploaded it to my client's server. I was finally convinced to come along. It was to be the best, and worst, decision I ever made.

Tuesday morning comes around and Summer is there to pick me up. We drive the 25 minutes from my office to the building. We arrive and she parks in the back and we enter inside. The

service elevator is manned by a tall slim woman dressed conservatively in a form fitting business suit and white cotton blouse. She hands us each a glass of champagne and tell us to push the button for the fourth floor. The ride is slow and quiet. We sip our drinks and await the door opening. The elevator finally stops but the door does not open.

Instead, the lights dim and turn an amber color. A sweet aroma fills the elevator. When I came to, the last thing I remembered was having the drink. Things were hazy as I opened my eyes. I started to feel better and coming to. I gathered my wits and then realized I was naked laying on a bare stage riser with an erection. Before long, a female voice comes out

of the shadows telling the crowd that her magic mouth and the secret serum in the champagne can give even the unconscious a rock-hard stiffie.

I sat up and put my feet over the edge and looked around. The place was dark, but all the amber lights were pointed up at the ceiling which had been painted a deep red. It seemed like someone had gone to great lengths to plan this space. The lighting, decor and architecture were minimal yet sumptuous. As my eyes and ears adjusted, soft electronic music wafted through a crowd of fit, attractive people who all looked distant and unfocused. While a few were dressed, most were nude and the

women all seemed to have four inch heels on. When a murmur ran through the crowd, I turned and what I saw made my entire body as rigid as my cock, which had gone from standing straight up to throbbing and now even thicker, longer, and harder. Out of the darkness, rimmed by the ever-present amber light, came forth the most mind-boggling naked body any man had ever seen.

As she walked over, closer to me in a controlled stride, her flawless skin was smooth dark and golden. She had long runner's legs with toned calves and thigh muscles. Her waist was so narrow that it must have been bound in a corset for years. Her stomach muscles rippled hard and firm. And then there were her breasts. The chest of a Asian princess that is always hidden under those tunics, now exposed for the world to see their natural perfectness. Her areolas were perfect silver dollar-sized with erect nipples leading the way. Coming closer, her face was still dark, obscured by the amber hair covering it.

My rigid member was twitching and tightening as if it were about to explode on its own. But now her face. She turned slightly and showed a well curved chin, mile high cheekbones, and big, eat-you-alive eyes. And then the moment she got close, standing right over me, my cock erupted without her or me even touching it! Right there in front of me, she bent down, put her mouth to it and took my last blasts into it. With utter serenity, she gulped and swallowed, and then licked the drippings off my shaft.

She raised up and leaned in to kiss me. The taste of cherry and orange filled my senses. I was confused. Is that the taste of my cum? Then she

straightened up and pulled her mask off. It was what I had always imagined. It was what I wanted, it was what I dreamt about. It was Summer...

She turned away from me and shifted on her feet, slightly spreading them. She then lowered herself onto my still harder-than-hell cock. Her pussy was wet and warm and accepting of my hardness. Over her shoulder I see a woman emerge from the darkness and come over to her and they begin to kiss. Summer swivels her hips on my lap, grinding my cock deeper into her. I feel the other woman's chin on my balls and know she is licking Summer's clit. Now I sense a man come over to us and he begins to fuck the woman from behind.

Suddenly I feel small hands on my shoulders and they pull me down onto the riser. With Summer still riding me, a stranger's pussy lowers itself onto my face and moistly demands I lick it. The woman begins rubbing her sex onto me. My tongue finds her hole and explores it deeply. But wait, now a strange man positions himself in front of the woman and she begins to suck his cock. I still smell the cherry and orange and it intoxicates me. I close my eyes and envision what I just described. Six people in a situation made available to me for this one night.

Wednesday morning, I awake in my office chair. My clothes disheveled, my head foggy and my cock still hard. Somehow I got out of the club and dropped off at my office. I pause for a moment to try and remember anything about Tuesday night. Nope, nada. I smell a cup of coffee brewed and ready for me. I get up, get my coffee and begin to type on my laptop. I don't know who I can sell the story to just yet, but I'm sure that will come – after I do – one more time.

nadi phuket

Nadi flew all the way into LA when she found out she'd be shooting with Stokahontas. They met a few months ago on another set and became instant friends, but did not do a scene together then. This time they would. When the two met at the set, they were all over each other. Hellos turned into kisses and kisses turned into, well, you know.
